Landlord may withhold any such amounts from Tenant's security deposit.
- 31. TEMPORARY RELOCATION:** Subject to local law, Tenant agrees, upon demand of Landlord, to temporarily vacate Premises for a reasonable period, to allow for fumigation (or other methods) to control wood destroying pests or organisms, or other repairs to Premises. Tenant agrees to comply with all instructions and requirements necessary to prepare Premises to accommodate pest control, fumigation or other work, including bagging or storage of food and medicine, and removal of perishables and valuables. Rent shall be abated as of the date Premises become totally or partially uninhabitable. The abated amount shall be the current monthly Rent prorated on a 30-day period. If the Agreement is not terminated, Landlord shall promptly repair the damage, and Rent shall be reduced based on the extent to which the damage interferes with Tenant's reasonable use of Premises. If damage occurs as a result of an act of Tenant or Tenant's guests, only Landlord shall have the right of termination, and no reduction in Rent shall be made.
- 33. INSURANCE:** Tenant's or guest's personal property and vehicles are not insured by Landlord, manager or, if applicable, HOA, against loss or damage due to fire, theft, vandalism, rain, water, criminal or negligent acts of others, or any other cause. **Tenant is advised to carry Tenant's own insurance (renter's insurance) to protect Tenant from any such loss or damage.** Tenant shall comply with any requirement imposed on Tenant by Landlord's insurer to avoid: (i) an increase in Landlord's insurance premium (or Tenant shall pay for the increase in premium); or (ii) loss of insurance.
- 34. WATERBEDS:** Tenant shall not use or have waterbeds on the Premises unless: (i) Tenant obtains a valid waterbed insurance policy; (ii) Tenant increases the security deposit in an amount equal to one-half of one month's Rent; and (iii) the bed conforms to the floor load capacity of Premises.
- 35. WAIVER:** The waiver of any breach shall not be construed as a continuing waiver of the same or any subsequent breach.

**WATER HEATER AND SMOKE DETECTOR
STATEMENT OF COMPLIANCE**
(C.A.R. Form WHSD, Revised 11/10)

Property Address: Santa Monica, CA 90402

NOTE: A seller who is not required to provide one of the following statements of compliance is not necessarily exempt from the obligation to provide the other statement of compliance.

WATER HEATER STATEMENT OF COMPLIANCE

- STATE LAW:** California Law requires that all new and replacement water heaters and existing residential water heaters be braced, anchored or strapped to resist falling or horizontal displacement due to earthquake motion. "Water heater" means any standard water heater with a capacity of no more than 120 gallons for which a pre-engineered strapping kit is readily available. (Health and Safety Code §19211d). Although not specifically stated, the statute requiring a statement of compliance does not appear to apply to a properly installed and bolted tankless water heater for the following reasons: There is no tank that can overturn; Pre-engineered strapping kits for such devices are not readily available; and Bolting already exists that would help avoid displacement or breakage in the event of an earthquake.
- LOCAL REQUIREMENTS:** Some local ordinances impose more stringent water heater bracing, anchoring or strapping requirements than does California Law. Therefore, it is important to check with local city or county building and safety departments regarding the applicable water heater bracing, anchoring or strapping requirements for your property.
- TRANSFEROR'S WRITTEN STATEMENT:** California Health and Safety Code §19211 requires the seller of any real property containing a water heater to certify, in writing, that the seller is in compliance with California State Law. If the Property is a manufactured or mobile home, Seller shall also file a required Statement with the Department of Housing and Community Development.
- CERTIFICATION:** Seller represents that the Property, as of the Close Of Escrow, will be in compliance with Health and Safety Code §19211 by having the water heater(s) braced, anchored or strapped in place, in accordance with those requirements.

SMOKE DETECTOR STATEMENT OF COMPLIANCE

- STATE LAW:** California Law requires that (i) every single-family dwelling and factory built housing unit sold on or after January 1, 1986, must have an operable smoke detector, approved and listed by the State Fire Marshal, installed in accordance with the State Fire Marshal's regulations (Health and Safety Code §13113.8) and (ii) all used manufactured or mobilehomes have an operable smoke detector in each sleeping room.
- LOCAL REQUIREMENTS:** Some local ordinances impose more stringent smoke detector requirements than does California Law. Therefore, it is important to check with local city or county building and safety departments regarding the applicable smoke detector requirements for your property.
- TRANSFEROR'S WRITTEN STATEMENT:** California Health and Safety Code §13113.8(b) requires every transferor of any real property containing a single-family dwelling, whether the transfer is made by sale, exchange, or real property sales contract (installment sales contract), to deliver to the transferee a written statement indicating that the transferor is in compliance with California State Law concerning smoke detectors. If the Property is a manufactured or mobile home, Seller shall also file a required Statement with the Department of Housing and Community Development (HCD).
- EXCEPTIONS:** Generally, a written statement of smoke detector compliance is not required for transactions for which the Seller is exempt from providing a transfer disclosure statement.
- CERTIFICATION:** Seller represents that the Property, as of the Close Of Escrow, will be in compliance with the law by having operable smoke detector(s) (i) approved and listed by the State Fire Marshal installed in accordance with the State Fire Marshal's regulations Health and Safety Code §13113.8 or (ii) in compliance with Manufactured Housing Construction and Safety Act (Health and Safety Code §18029.6) located in each sleeping room for used manufactured or mobilehomes as required by HCD and (iii) in accordance with applicable local ordinance(s).

CARBON MONOXIDE DETECTOR NOTICE
(C.A.R. Form CMD, 4/12)

ENGEL & VÖLKERS

Property Address: [REDACTED] **Santa Monica, CA 90402**

1. INSTALLATION OF CARBON MONOXIDE DETECTORS:

- A. Requirements:** California law (Health and Safety Code sections 13260 to 13263 and 17296 to 17296.2) requires that as of July 1, 2011, all existing single-family dwellings have carbon monoxide detectors installed and that all other types of dwelling units intended for human occupancy have carbon monoxide detectors installed on or before January 1, 2013. The January 1, 2013 requirement applies to a duplex, lodging house, dormitory, hotel, condominium, time-share and apartment, among others.
- B. Exceptions:** The law does not apply to a dwelling unit which does not have any of the following: a fossil fuel burning heater or appliance, a fireplace, or an attached garage. The law does not apply to dwelling units owned or leased by the State of California, the Regents of the University of California or local government agencies. Aside from these three owner types, there are **no other owner exemptions** from the installation requirement; it applies to all owners of dwellings, be they individual banks, corporations, or other entities. There is no exemption for REO properties.

2. DISCLOSURE OF CARBON MONOXIDE DETECTORS: The Health and Safety Code does not require a disclosure regarding the existence of carbon monoxide detectors in a dwelling. However, a seller of residential 1-4 property who is required to complete a Real Estate Transfer Disclosure Statement (C.A.R. Form TDS) or a Manufactured Home and Mobile Home Transfer Disclosure Statement (C.A.R. Form HTS) must use section A of that form to disclose whether or not the dwelling unit has a carbon monoxide detector.

3. COMPLIANCE WITH INSTALLATION REQUIREMENT: State building code requires at a minimum, placement of carbon monoxide detectors in applicable properties outside of each sleeping area, and on each floor in a multi-level dwelling but additional or different requirements may apply depending on local building standards and manufacturer instructions. An owner who fails to install a carbon monoxide detector when required by law and continues to fail to install the detector after being given notice by a governmental agency could be liable for a fine of up to \$200 for each violation. A transfer of a property where a seller, as an owner, has not installed carbon monoxide detectors, when required to do so by law, will not be invalidated, but the seller owner could be subject to damages of up to \$100, plus court costs and attorney fees. Buyer and Seller are each advised to consult with their own home inspector, contractor or building department to determine the exact location for installation of carbon monoxide detectors. Buyer is advised to consult with a professional of Buyer's choosing to determine whether the property has carbon monoxide detector(s) installed as required by law, and if not to discuss with their counsel the potential consequences.

4. LOCAL REQUIREMENTS: Some localities maintain their own retrofit or point of sale requirements which may include the requirement that a carbon monoxide detector be installed prior to a transfer of property. Therefore, it is important to check the local city or county building and safety departments regarding point of sale or retrofit requirements when transferring property.

The undersigned hereby acknowledge(s) receipt of a copy of this Carbon monoxide detector notice.

DISCLOSURE, ACKNOWLEDGMENT AND ADDENDUM**
For Pre-1978 Housing Sales, Leases, or Rentals
(C.A.R. Form FLD, Revised 11/10)

The following terms and conditions are hereby incorporated in and made a part of the: ☐ California Residential Purchase Agreement, ☒ Residential Lease or Month-to-Month Rental Agreement, or ☐ Other: _____

dated November 20, 2015, on property known as: _____
Santa Monica, CA 90402 ("Property") in

which Ellen Ruth Stone is referred to as Buyer or
Tenant and Katherine Beckley is referred to as Seller or
Landlord.

LEAD WARNING STATEMENT (SALE OR PURCHASE) Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligent quotient, behavioral problems and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

LEAD WARNING STATEMENT (LEASE OR RENTAL) Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, lessors must disclose the presence of lead-based paint and/or lead-based paint hazards in the dwelling. Lessees must also receive federally approved pamphlet on lead poisoning prevention.

EPA'S LEAD-BASED PAINT RENOVATION, REPAIR AND PAINTING RULE: The new rule requires that contractors and maintenance professionals working in pre-1978 housing, child care facilities, and schools with lead-based paint be certified; that their employees be trained; and that they follow protective work practice standards. The rule applies to renovation, repair, or painting activities affecting more than six square feet of lead-based paint in a room or more than 20 square feet of lead-based paint on the exterior. Enforcement of the rule begins October 1, 2010. See the EPA website at www.epa.gov/lead for more information.

DISCLOSURE REGARDING REAL ESTATE AGENCY RELATIONSHIP

(Listing Firm to Seller)
(As required by the Civil Code)
(C.A.R. Form AD, Revised 12/14)

☐ (If checked) This form is being provided in connection with a transaction for a leasehold interest exceeding one year as per Civil Code section 2079.13(k) and (l).

When you enter into a discussion with a real estate agent regarding a real estate transaction, you should from the outset understand what type of agency relationship or representation you wish to have with the agent in the transaction.

SELLER'S AGENT

A Seller's agent under a listing agreement with the Seller acts as the agent for the Seller only. A Seller's agent or a subagent of that agent has the following affirmative obligations:

To the Seller: A Fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Seller.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
- (b) A duty of honest and fair dealing and good faith.
- (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

BUYER'S AGENT

A selling agent can, with a Buyer's consent, agree to act as agent for the Buyer only. In these situations, the agent is not the Seller's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Seller. An agent acting only for a Buyer has the following affirmative obligations:

To the Buyer: A fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Buyer.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
- (b) A duty of honest and fair dealing and good faith.
- (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties.

An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

AGENT REPRESENTING BOTH SELLER AND BUYER

A real estate agent, either acting directly or through one or more associate licensees, can legally be the agent of both the Seller and the Buyer in a transaction, but only with the knowledge and consent of both the Seller and the Buyer.

In a dual agency situation, the agent has the following affirmative obligations to both the Seller and the Buyer:

- (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either the Seller or the Buyer.
- (b) Other duties to the Seller and the Buyer as stated above in their respective sections.

In representing both Seller and Buyer, the agent may not, without the express permission of the respective party, disclose to the other party that the Seller will accept a price less than the listing price or that the Buyer will pay a price greater than the price offered.

The above duties of the agent in a real estate transaction do not relieve a Seller or Buyer from the responsibility to protect his or her own interests. You should carefully read all agreements to assure that they adequately express your understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional.

Throughout your real property transaction you may receive more than one disclosure form, depending upon the number of agents assisting in the transaction. The law requires each agent with whom you have more than a casual relationship to present you with this disclosure form. You should read its contents each time it is presented to you, considering the relationship between you and the real estate agent in your specific transaction. **This disclosure form includes the provisions of Sections 2079.13 to 2079.24, inclusive, of the Civil Code set forth on page 2. Read it carefully. I/WE ACKNOWLEDGE RECEIPT OF A COPY OF THIS DISCLOSURE AND THE PORTIONS OF THE CIVIL CODE PRINTED ON THE BACK (OR A SEPARATE PAGE).**

CIVIL CODE SECTIONS 2079.24 (2079.16 APPEARS ON THE FRONT)

2079.13 As used in Sections 2079.14 to 2079.24, inclusive, the following terms have the following meanings: (a) Agent means a person acting under provisions of Title 9 (commencing with Section 229) in a real property transaction, and includes a person who is licensed as a real estate broker under Chapter 3 (commencing with Section 10130) of part 1 of Division 4 of the Business and Professions Code, and under whose license a listing is executed or an offer to purchase is obtained. (b) Associate licensee means a person who is licensed as a real estate broker or salesperson under Chapter 3 (commencing with Section 10130) of part 1 of Division 4 of the Business and Professions Code and who is either licensed under a broker or has entered into a written contract with a broker to act as the broker's agent in connection with acts requiring a real estate license and to function under the broker's supervision in the capacity of an associate licensee. The agent in the real property transaction bears responsibility for his or her associate licensees who perform as agents of the agent. When an associate licensee owes a duty to any principal, or to any buyer or seller who is not a principal, in a real property transaction, that duty is equivalent to the duty owed to that party by the broker for whom the associate licensee functions. (c) Buyer means a transferee in a real property transaction, and includes a person who executes an offer to purchase real property from a seller through an agent, or who seeks the services of an agent in more than a casual, transitory, or preliminary manner, with the object of entering into a real property transaction. Buyer includes vendee or lessee. (d) Commercial real property means all real property in the state, except single-family residential real property, dwelling units made subject to Chapter 2 (commencing with Section 1940) of Title 9, mobilehomes, as defined in Section 799.3, or recreational vehicles, as defined in Section 799.29. (e) Dual agent means an agent acting, either directly or through an associate licensee, as agent for both the seller and the buyer in a real property transaction. (f) Listing agreement means a contract between an owner of real property and an agent, by which the agent has been authorized to sell the real property or to find or obtain a buyer. (g) Listing agent means a person who has obtained a listing of real property to act as an agent for compensation. (h) Listing price is the amount expressed in dollars specified in the listing for which the seller is willing to sell the real property through the listing agent. (i) Offering price is the amount expressed in dollars specified in an offer to purchase for which the buyer is willing to buy the real property. (j) Offer to purchase means a written contract executed by a buyer acting through a selling agent that becomes the contract for the sale of the real property upon acceptance by the seller. (k) Real property means any estate specified by subdivision (1) or (2) of Section 7 in property that constitutes or is improved with one to four dwelling units, any commercial real property, any leasehold in these types of property exceeding one year's duration, and mobilehomes, when offered for sale or sold through an agent pursuant to the authority contained in Section 10131. of the Business and Professions Code. (l) Real property transaction means a transaction for the sale of real property in which an agent is employed by one or more of the principals to act in that transaction, and includes a listing or an offer to purchase. (m) Sell, sale, or sold refers to a transaction for the transfer of real property from the seller to the buyer, and includes exchanges of real property between the seller and buyer, transactions for the creation of a real property sales contract within the meaning of Section 29, and transactions for the creation of a leasehold exceeding one year's duration. (n) Seller means the transferor in a real property transaction, and includes an owner who lists real property with an agent, whether or not a transfer results, or who receives an offer to purchase real property of which he or she is the owner from an agent on behalf of another. Seller includes both a vendor and a lessor. (o) Selling agent means a listing agent who acts alone, or an agent who acts in cooperation with a listing agent, and who sells or finds and obtains a buyer for the real property, or an agent who locates property for a buyer or who finds a buyer for a property for which no listing exists and presents an offer to purchase to the seller. (p) Subagent means a person to whom an agent delegates agency powers as provided in Article (commencing with Section 2349) of Chapter 1 of Title 9. However, subagent does not include an associate licensee who is acting under the supervision of an agent in a real property transaction.

2079.14 Listing agents and selling agents shall provide the seller and buyer in a real property transaction with a copy of the disclosure form specified in Section 2079.1, and, except as provided in subdivision (c), shall obtain a signed acknowledgement of receipt from that seller or buyer, except as provided in this section or Section 2079.1, as follows: (a) The listing agent, if any, shall provide the disclosure form to the seller prior to entering into the listing agreement. (b) The selling agent shall provide the disclosure form to the seller as soon as practicable prior to presenting the seller with an offer to purchase, unless the selling agent previously provided the seller with a copy of the disclosure form pursuant to subdivision (a). (c) Where the selling agent does not deal on a face-to-face basis with the seller, the disclosure form prepared by the selling agent may be furnished to the seller (and acknowledgement of receipt obtained for the selling agent from the seller) by the listing agent, or the selling agent may deliver the disclosure form by certified mail addressed to the seller at his or her last known address, in which case no signed acknowledgement of receipt is required. (d) The selling agent shall provide the disclosure form to the buyer as soon as practicable prior to execution of the buyer's offer to purchase, except that if the offer to purchase is not prepared by the selling agent, the selling agent shall present the disclosure form to the buyer not later than the next business day after the selling agent receives the offer to purchase from the buyer.

2079.15 In any circumstance in which the seller or buyer refuses to sign an acknowledgement of receipt pursuant to Section 2079.14, the agent, or an associate licensee acting for an agent, shall set forth, sign, and date a written declaration of the facts of the refusal.

2079.16 Reproduced on page 1 of this AD form.

2079.17 (a) As soon as practicable, the selling agent shall disclose to the buyer and seller whether the selling agent is acting in the real property transaction exclusively as the buyer's agent, exclusively as the seller's agent, or as a dual agent representing both the buyer and the seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller, the buyer, and the selling agent prior to or coincident with execution of that contract by the buyer and the seller, respectively. (b) As soon as practicable, the listing agent shall disclose to the seller whether the listing agent is acting in the real property transaction exclusively as the seller's agent, or as a dual agent representing both the buyer and seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller and the listing agent prior to or coincident with the execution of that contract by the seller.

(c) The confirmation required by subdivisions (a) and (b) shall be in the following form.

(DO NOT CO LETE. SA LE ONLY)

is the agent of (check one): ☐ the seller exclusively or ☐ both the buyer and seller.

(Name of Listing Agent)

(DO NOT CO LETE. SA LE ONLY)

is the agent of (check one): ☐ the buyer exclusively or ☐ the seller exclusively or ☐ both the buyer and seller.

(Name of Selling Agent if not the same as the Listing Agent)

(d) The disclosures and confirmation required by this section shall be in addition to the disclosure required by Section 2079.14.

2079.18 No selling agent in a real property transaction may act as an agent for the buyer only, when the selling agent is also acting as the listing agent in the transaction.

2079.19 The payment of compensation or the obligation to pay compensation to an agent by the seller or buyer is not necessarily determinative of a particular agency relationship between an agent and the seller or buyer. A listing agent and a selling agent may agree to share any compensation or commission paid, or any right to any compensation or commission for which an obligation arises as the result of a real estate transaction, and the terms of any such agreement shall not necessarily be determinative of a particular relationship.

2079.20 Nothing in this article prevents an agent from selecting, as a condition of the agent's employment, a specific form of agency relationship not specifically prohibited by this article if the requirements of Section 2079.14 and Section 2079.17 are complied with.

2079.21 A dual agent shall not disclose to the buyer that the seller is willing to sell the property at a price less than the listing price, without the express written consent of the seller. A dual agent shall not disclose to the seller that the buyer is willing to pay a price greater than the offering price, without the express written consent of the buyer. This section does not alter in any way the duty or responsibility of a dual agent to any principal with respect to confidential information other than price.

2079.22 Nothing in this article precludes a listing agent from also being a selling agent, and the combination of these functions in one agent does not, of itself, make that agent a dual agent.

2079.23 A contract between the principal and agent may be modified or altered to change the agency relationship at any time before the performance of the act which is the object of the agency with the written consent of the parties to the agency relationship.

2079.24 Nothing in this article shall be construed to either diminish the duty of disclosure owed buyers and sellers by agents and their associate licensees, subagents, and employees or to relieve agents and their associate licensees, subagents, and employees from liability for their conduct in connection with acts governed by this article or for any breach of a fiduciary duty or a duty of disclosure.

(n) "Seller" means the transferor in a real property transaction, and includes an owner who lists real property with an agent, whether or not a transfer results, or who receives an offer to purchase real property of which he or she is the owner from an agent on behalf of another. "Seller" includes both a vendor and a lessor. (o) "Selling agent" means a listing agent who acts alone, or an agent who acts in cooperation with a listing agent, and who sells or finds and obtains a buyer for the real property, or an agent who locates property for a buyer or who finds a buyer for a property for which no listing exists and presents an offer to purchase to the seller. (p) "Subagent" means a person to whom an agent delegates agency powers as provided in Article 5 (commencing with Section 2349) of Chapter 1 of Title 9. However, "subagent" does not include an associate licensee who is acting under the supervision of an agent in a real property transaction.

2079.14 Listing agents and selling agents shall provide the seller and buyer in a real property transaction with a copy of the disclosure form specified in Section 2079.16, and, except as provided in subdivision (c), shall obtain a signed acknowledgement of receipt from that seller or buyer, except as provided in this section or Section 2079.15, as follows: (a) The listing agent, if any, shall provide the disclosure form to the seller prior to entering into the listing agreement. (b) The selling agent shall provide the disclosure form to the seller as soon as practicable prior to presenting the seller with an offer to purchase, unless the selling agent previously provided the seller with a copy of the disclosure form pursuant to subdivision (a). (c) Where the selling agent does not deal on a face-to-face basis with the seller, the disclosure form prepared by the selling agent may be furnished to the seller (and acknowledgement of receipt obtained for the selling agent from the seller) by the listing agent, or the selling agent may deliver the disclosure form by certified mail addressed to the seller at his or her last known address, in which case no signed acknowledgement of receipt is required. (d) The selling agent shall provide the disclosure form to the buyer as soon as practicable prior to execution of the buyer's offer to purchase, except that if the offer to purchase is not prepared by the selling agent, the selling agent shall present the disclosure form to the buyer not later than the next business day after the selling agent receives the offer to purchase from the buyer.

2079.15 In any circumstance in which the seller or buyer refuses to sign an acknowledgement of receipt pursuant to Section 2079.14, the agent, or an associate licensee acting for an agent, shall set forth, sign, and date a written declaration of the facts of the refusal.

2079.17 (a) As soon as practicable, the selling agent shall disclose to the buyer and seller whether the selling agent is acting in the real property transaction exclusively as the buyer's agent, exclusively as the seller's agent, or as a dual agent representing both the buyer and the seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller, the buyer, and the selling agent prior to or coincident with execution of that contract by the buyer and the seller, respectively. (b) As soon as practicable, the listing agent shall disclose to the seller whether the listing agent is acting in the real property transaction exclusively as the seller's agent, or as a dual agent representing both the buyer and seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller and the listing agent prior to or coincident with the execution of that contract by the seller.

(c) The confirmation required by subdivisions (a) and (b) shall be in the following form.

(DO NOT COMPLETE. SAMPLE ONLY)

is the agent of (check one): ☐ the seller exclusively; or ☐ both the buyer and seller.

(Name of Listing Agent)

(DO NOT COMPLETE. SAMPLE ONLY)

is the agent of (check one): ☐ the buyer exclusively; or ☐ the seller exclusively; or ☐ both the buyer and seller.

(Name of Selling Agent if not the same as the Listing Agent)

(d) The disclosures and confirmation required by this section shall be in addition to the disclosure required by Section 2079.14.

2079.18 No selling agent in a real property transaction may act as an agent for the buyer only, when the selling agent is also acting as the listing agent in the transaction.

2079.19 The payment of compensation or the obligation to pay compensation to an agent by the seller or buyer is not necessarily determinative of a particular agency relationship between an agent and the seller or buyer. A listing agent and a selling agent may agree to share any compensation or commission paid, or any right to any compensation or commission for which an obligation arises as the result of a real estate transaction, and the terms of any such agreement shall not necessarily be determinative of a particular relationship.

2079.20 Nothing in this article prevents an agent from selecting, as a condition of the agent's employment, a specific form of agency relationship not specifically prohibited by this article if the requirements of Section 2079.14 and Section 2079.17 are complied with.

2079.21 A dual agent shall not disclose to the buyer that the seller is willing to sell the property at a price less than the listing price, without the express written consent of the seller. A dual agent shall not disclose to the seller that the buyer is willing to pay a price greater than the offering price, without the express written consent of the buyer. This section does not alter in any way the duty or responsibility of a dual agent to any principal with respect to confidential information other than price.

2079.22 Nothing in this article precludes a listing agent from also being a selling agent, and the combination of these functions in one agent does not, of itself, make that agent a dual agent.

2079.23 A contract between the principal and agent may be modified or altered to change the agency relationship at any time before the performance of the act which is the object of the agency with the written consent of the parties to the agency relationship.

2079.24 Nothing in this article shall be construed to either diminish the duty of disclosure owed buyers and sellers by agents and their associate licensees, subagents, and employees or to relieve agents and their associate licensees, subagents, and employees from liability for their conduct in connection with acts governed by this article or for any breach of a fiduciary duty or a duty of disclosure.
